# NEED TO USE THE FOOD PANTRY?

It's okay. That is what it's for.

We all need a little help sometimes. Please don't feel awkward about needing a little help at this time. Seniors, young families, students, we are all in this adventure of life together.

The sharing of food through *My Brother's Keeper* - Food Pantry is intended to help out families and individuals that for many various reasons have found themselves with an issue of food insecurity.

This program is intended to be a <u>short term</u> <u>assistance</u> for local people in need. The local social services are able to assist with further programs and opportunities.

More info about hosting food drives, volunteering, and <u>a direct communication box</u> can all be found on our church web site:

### THOUGHTS ON FOOD PANTRIES

## Hunger is a community issue

Are people hungry right here in my own neighborhood? Am I comfortable with that? Can I do something to help?

### **Hunger** is a Spiritual Issue

Serving and caring are natural parts of a sincere faith walk. We are asked to be aware of each others needs and to be our brothers' and sister' keeper.

# Hunger is an issue I <u>can</u> be involved with.

Some problems can seem overwhelming and I can ask "What can just one person do?" But, really there are many, many things one person can do. I just need to take the step to team up with others and find ways to make a difference right here in my community!

OUR GOAL IS SIMPLY... "TO SERVE THOSE IN NEED" OUR HOPE IS THAT THESE SERVICES WILL EXPAND AND FURTHER INVOLVE OUR COMMUNITY IN HELP-ING CARE FOR EACH OTHER MORE AND MORE!

# HOW YOU CAN HELP

You can help touch lives right here in your own community. Here are some ways

# (1) Host a Food Drive : -

You can organize a food drive and then bring the items to *Hope*. This is a great way to help because it give s lots of people an opportunity to be involved and keeps the food shelves stocked.

# (2) You can... Donate \$

You can help us stock the shelves by directly donating funds. Donated funds are used solely to restock the shelves. Donations can be mailed to *Hope* and checks can be made out to: *My Brother's Keeper* Food Pantry.

- (3) Be an "on-site" volunteer during hours of operation These volunteers help monitor during the session and then assist guests as needed.
- (4) **Spread the Word!** Do you know someone in need of help, or someone that wants to volunteer? Let them know about *My Brother's Keeper*. Also, please spread the word to local organizations and clubs about hosting food drives.
